

CALL FOR TENDER Marathon (42.195 km)

25TH DRESDEN-MARATHON, 26.10.2025

Sightseeing on the run. Baroque and nature as far as your feet will carry you. Highlights include the historic old town centre

with the Frauenkirche and other famous baroque buildings as well as the Neustadt, the famous pub and Gründerzeit district. More than 300 musicians and numerous bands will provide entertainment along the entire route. The flat and fast course takes you through the illuminated Waldschlößchen tunnel, over the bridge of the same name to the Großer Garten. From there, the route heads back towards the city centre and its sights.

The second half of the marathon, which differs significantly from the first, also includes a loop through the Blasewitz district with a magnificent view of the palaces on the Loschwitz Elbe slope and its factory owners' villas on Goetheallee. You run along the Elbe back to the old town, where the highlight, the Dresden Frauenkirche, is right on your route. You then run through the marathon gate of the Heinz Steyer Stadium to the applause of numerous spectators as you cross the finish line.
