Marathon-RELAY

25th DRESDEN-MARATHON

Sun, 26/10/2025

As a club, company, family – or simply with friends:

Ever dreamed of running a full marathon? Why not do it as a relay team?

Train together – run together – cross the finish line and celebrate together!

You'll run on the official marathon course of the 25th DRESDEN MARATHON, covering the full 42.195 km, split into four legs ranging from approximately 6.1 to 14.8 kilometres. The route takes you past baroque landmarks and natural scenery – through Dresden's historic Old Town, the beautiful Großer Garten, and along the banks of the Elbe.

With different section lengths available, you can choose the best leg for each runner depending on age and fitness level.

The highlight: your team finish through the official marathon gate of the Heinz-Steyer-Stadium – cheered on by enthusiastic spectators and after one final half lap around the track, you'll cross the big marathon finish line together.

RACE DAY INFO

START: Sun, Oct 26, 2025 – 10:30 a.m. at PIESCHENER ALLEE

RELAY-MEETING-POINT: DEVRIENTSTRASSE, 800m to finish

FINISH LINE CLOSES: 4:00 p.m. in HEINZ-STEYER-STADIUM, DRESDEN

TIMING

Timing is carried out exclusively using a reusable transponder. Each relay team starts with one transponder, which is attached to the ankle. The transponder also serves as the "baton" and must be passed on to the next relay runner at the changeover points. Attachment to the ankle using a Velcro strap is mandatory. The total net time of the team as well as the individual leg times will be recorded, provided that the start, finish, and all control mats along the course are crossed.

THE TRANSPONDER MUST BE RETURNED IMMEDIATELY AFTER CROSSING THE FINISH LINE!

COURSE SEGMENTS / RELAY EXCHANGE POINTS

The bib numbers of the marathon relay participants are color-coded differently from those of the individual marathon runners. This allows course marshals to direct relay participants to the designated exchange points. For this reason, bib numbers must always be clearly visible on the front.

The relay exchange points are easily accessible by public transportation.

Due to numerous road closures, it is strongly discouraged to attempt private transport to the exchange locations.

The relay exchange areas are separated from the main race course. About 100 meters before each exchange point, signs and marshals will indicate the upcoming changeover zone.

At each exchange point, there is a "pit lane" where the "relay baton" (transponder with Velcro strap on the ankle) is handed over. The allocation to specific boxes within this area is based on the bib number.

1st Leg: approx. 13.4 km

START of the 25th DDM –Pieschener Allee to exchange point at Straßburger Platz / Gläserne Manufaktur
Start block assignment is based on the "expected running time" of the first runner and marked on their bib number.

2nd Leg: approx. 6.1 km

Straßburger Platz / Gläserne Manufaktur to the exchange point at Waldschlößchen Bridge

The 2nd runner must reach the course split between the marathon and half marathon (km 16.5 – Th.-Müntzer-Platz) by 12:45 p.m., just like all marathon participants.

They continue along the **MARATHON COURSE**.

3rd Leg: approx. 14.8 km

Waldschlößchen Bridge to the exchange point at Straßburger Platz / Gläserne Manufaktur

4th Leg: approx. 7.9 km

Straßburger Platz / Gläserne Manufaktur to the finish line at HEINZ-STEYER-STADIUM

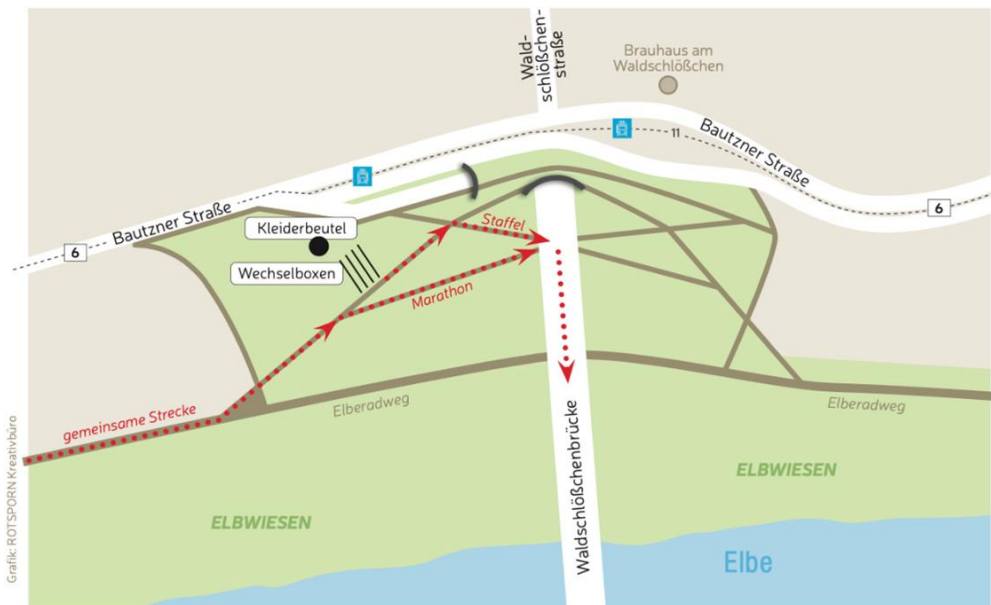

The course closes at 4:00 p.m.

The event is time-limited, and road closures along the race route are only in effect during the official running times.

EXCHANGE-POINT 1 + 3 GLÄSERNE MANUFAKTUR

EXCHANGE-POINT 2 WALDSCHLÖSSCHENBRÜCKE

Travel to and from the exchange points is by public transport or bicycle/e-scooter. The bib number serves as a valid ticket on marathon day (October 26, 2025).

Important: Please allow plenty of time on race day, as road closures may cause delays.

Exchange Point 1 & 3 (Straßburger Platz / Gläserne Manufaktur) can be reached via Postplatz using tram lines 1, 2, or 4.

Exchange Point 2 (Waldschlösschen Bridge) can be reached, for example, from the stop "Kongresszentrum / Haus der Presse" by tram line 11 (approx. every 15 min, travel time around 20 min).

IMPORTANT: Tram line 11 will not operate between 10:30 a.m. and approx. 11:15 a.m.

JOINT FINISH

ATTENTION! NEW LOCATION!

At kilometer 41.3, runners 1–3 can join the final runner and complete the last 900 meters together—through the marathon gate of Heinz-Steyer-Stadium and across half a lap of the track to the finish line. To do so, the 3rd runner must quickly take the tram from Straßburger Platz to Postplatz (lines 1, 2, or 4) and then continue to the Kongresszentrum (line 11). The total travel time is approximately 20 minutes. From there, proceed on foot to the **MEETING POINT** (marked with a large yellow/blue beach flag and a large green AOK arch) in front of the **MARITIM HOTEL DRESDEN** on **Devrientstraße**. Alternatively, from Postplatz you can jog approximately **1 km** directly to the meeting point. To do this, head left past the Dresden Zwinger and turn right just behind it. You'll then reach the marathon route—follow it (off the course) in the running direction for about 300 meters.

BAG DROP

Label your official clothing bag with your bib number and drop it off at the designated area (tent behind Heinz-Steyer-Stadium).

NO bag drop at the starting line.

Bags must be collected by 5:00 p.m. The organizer is not liable for lost or damaged items.

Each exchange point offers a bag drop for temporary storage.
